NEW DATES FOR **TRANSPOTEC** LOGITEC

10.12.2020

NEW DATES FOR **TRANSPOTEC** LOGITEC: SEE YOU IN JUNE!

Transpotec Logitec will be held at **Fiera Milano** on 10 to 13 June 2021. The new dates, set in consideration of the concrete requirements of the market, will enable the exhibition to make the most of its potential and reaffirm its central position in an industry which, over the recent months, has fully demonstrated its key role in transporting primary necessities like food and pharmaceuticals.

Reliability and comfort in pole position

For them, the truck is a work tool, but it is also "home" and a passion. We interviewed some Italian transporters who are part of the International Truck Look Group, and they told us about their priorities when buying a new vehicle.

THE IMPORTANCE OF BEING COMPLIANT

Teaming up between companies that use Transport and Logistics services to strengthen the Customer-Carrier relationship is the goal with which the TCR insights were born. A quality assurance tool, which makes it possible to discuss potential risk factors, but to also share values. We talked about it with the President, Alessandro Ferri.

DRIVER QUALIFICATION CARD AND THE PANDEMIC: WHAT'S NEW?

For those transporting goods or people, the expiry date of the driver qualification card must be kept in full view, otherwise it will not be possible to continue carrying out transportation that requires its possession. Given the prolongation of the health emergency, online attendance of courses for renewal has recently been authorised in Italy, but with specific limits.
