TRANSPOTEC LOGITEC WILL BE HELD FROM 27TH TO 30TH JANUARY 2022

28.05.2021

Save the date: **Transpotec** Logitec will be held from 27th to 30th January 2022

Following recent government decisions, which do not allow trade fair events in Italy in the first half of June, and after a discussion with the market aimed at evaluating all possible solutions, the next edition of **Transpotec** Logitec has been rescheduled for 2022 and will be held at **Fiera Milano** from Thursday 27th to Sunday 30th January.

Logistics between resilience and new frontiers

The public health emergency has placed a strain on the logistics sector, yet Covid, despite the difficulties, has represented a stimulus and an accelerator of innovation. This is the scenario illustrated last November by the "Gino Marchet" Contract Logistics Observatory at the Politecnico di Milano.

ANFIA: positive in the quarter, however regulatory measures needed

In Italy, the growth of trucks and trailers shows the market exit from the negative phase of last year, but to support the recovery and push the spread of technologies with low environmental impact and high safety standards, ANFIA, the Italian Association of the Automotive Industry, restates the importance of short-medium term measures.
